Known Fitting Issues: \_\_\_\_\_  
Reason for choosing ReactorPanel: \_\_\_\_\_

### ORDER DETAILS

Below, list the items that you would like to evaluate. Prices are on our web site in the RP Store. You will not be billed for these items unless you: purchase them, damage them, or fail to return them per this agreement.

You will be billed up to \$50 for items which are dirty when returned – so please, clean before returning.

Each saddle will be shipped with panels, attaching discs in two sizes, a set of saddle pads, a tool to separate the Velcro, a saddle cover, ruler and an illustrated User's Guide. If you need girth, stirrups or other items, write in whatever you need under options. If you would like a USED or DEMO saddle, please indicate below and call us for availability and pricing.

ITEM	PRICE	New/Used/Don't Care
Saddle Model: _____	_____	_____
Second saddle: _____	_____	_____
Girth (size, color) _____	_____	_____
Option: _____	_____	_____

EVALUTATION ITEM TOTAL: \$ \_\_\_\_\_ (INITIALS)

*Your saddle will ship when shipping charges are paid. Insured UPS Ground freight is \$65 (\$90 for two saddles) or \$45/\$60 in CA. Air freight is available. If your evaluation saddle was hand-delivered by an RP fitting agent, there will be a minimum delivery charge of \$15, and you will still be responsible for returning the saddle. We offer return shipping service for a \$5 service fee, or UPS pick-up for a \$10 fee added to the above rates. Contact us to request a return label or a pick-up.*

My total shipping/handling fee is \$ \_\_\_\_\_. I would like to pay this fee as follows:

\_\_\_\_\_ Please charge the credit card listed on page two of this form

\_\_\_\_\_ My check is enclosed.

# ReactorPanel Evaluation Agreement (Page 2 of 2)

## EVALUATION AGREEMENT

As I desire to evaluate the Reactor Panel saddle, I am providing a credit card and my authorization to charge the credit card for the total amount shown on page 1 of this agreement, which is the value of the saddle(s) I have ordered and any included accessories, subject to the terms and conditions of this agreement.

### 1. RIDING IN AND CARING FOR THE SADDLE DURING THE TRIAL

During the evaluation period, I agree to run the stirrups under the saddle flaps. If I choose to wrap the stirrup leathers instead, I understand that marking of the flap might occur which would result in a charge for wear. I further agree to use a girth with roller buckles to prevent billet strap wear, and to limit my total riding time in the saddle to the minimum amount needed to confirm my opinion of the saddle (typically 10 hours or less in a two-week interval). I also agree to store the saddle in a secure location on a rack that will not damage the panels (see User's Guide).

### 2. FINANCIAL COMMITMENT

I agree to pre-pay incoming freight and insurance in the amount listed on page one, and to pay all the costs of return freight, including insurance for the total value of the saddle(s) and accessories. I agree to carefully package these items for return shipment per RPSC's return shipping instructions. I also understand that I may be charged for excessive wear or damage, including shipping damage, or for any items not returned with the saddle, including the User's Manual. I agree to provide my credit card number to secure my performance under this agreement, and understand that the card will be charged if I violate the terms of this agreement by failing to return or pay for the saddle or any accessory items, or by failing to pay for damage beyond minor wear that occurs to the saddle or accessories while in my possession.

If I choose to lease a saddle (terms below), my lease fees will be due on the first day of the lease period.

### 3. OPTIONS FOR TERMINATING THIS AGREEMENT

I understand that I have several options for prolonging or terminating this agreement.

A. PURCHASE. I may purchase the saddle by communicating my intent to purchase to ReactorPanel Saddle Company headquarters or to my authorized RP Fitting Agent, and by paying for the saddle by cash, check or credit card before the end of my trial period.

B. RETURN. I may return the saddle and all accessories in the same condition as upon receipt, within 14 days of my receipt of the saddle. "New Condition" means that there are no exceptional new wear marks on or damage to any items I received, including the saddle flaps and billets, and no dirt, scratches or scuff marks on any part of the saddle. I agree to clean the saddle, wash the pads, and clean any accessories before returning, or else to pay cleaning fees of up to \$50.00.

C. EXTEND THE TRIAL. I may apply for an extension of my trial by receiving written permission from The ReactorPanel Saddle Company. This permission will typically be granted if circumstances (weather, equine soundness, etc.) have prevented me from thoroughly testing the saddle. An email is considered sufficient as written permission.

D. CONVERT THE TRIAL TO A LEASE. I may choose to convert the trial to a lease by informing the ReactorPanel Saddle Co. of my intent to do so before the end of my trial period. The price of the lease is \$50 per week. The maximum lease period is five weeks. Any lease fees paid by me will be applied to the price of the saddle only if I choose to later purchase the same saddle I have been leasing. Otherwise, I understand that lease fees are not refundable. Lease fees must be paid in advance. *I expressly understand that if I do not purchase the saddle or receive permission to extend my trial, that lease fees will be due and will be billed to my credit card on the 15<sup>th</sup> day, after the date I received my saddle, where "receipt day" is the date that UPS logs show the saddle to have been delivered to my shipping address. After the first week, lease charges of \$50 will be billed to my credit card each week until the saddle is purchased by me or returned to RP.*
